

How to use Spokes Ride Calendar

The ride calendar is based on Google calendar.

The calendar can be viewed in three formats – Month, Week or Schedule – selectable in the top right of the calendar.

Click on the entry and details of the ride or event will be visible.

When you go onto the Ride Calendar page you may find that the calendar takes a few seconds to load. This is normal.

Screenshots on the next few pages show different views available and include guidelines on how to use the calendar.

Calendar Month View

Use arrows to move from month to month (or week to week in weekly view)

Calendar view selectable using drop down in top right

In general in monthly view:

- Multi-day events will appear as white text on a coloured background.
- Single day events will appear as black text showing the start time and the first part of the ride or event title.

Route Description/GPX download:

This is a circular tour of the Medieval churches at the eastern villages of the Vale of Glamorgan, including St Fagans, Peterston Super Ely, Llanccarfan, Porthkerry, Barry and Landough. At each church we will share architectural and historical insights provided by Stephen and Roger, and where possible look inside each church. Mainly on quiet back roads and cycle paths with a picnic stop at St Curig's church in Porthkerry and coffee stop in Porthkerry Country Park cafe. I hope you can join us.
